Commercial Outsourced HR services

## The Value We Add

Does your Organisation have an HR Team or Person who:

- 
- Doesn't add value as a business partner but merely performs transactional tasks?
  - Doesn't contribute to the bottom line?
  - Does not have the right mix of skills and/or experience to complete what is necessary?

PeopleHR can help provide a solution

We can:

- **Lease** you an HR Professional at any level for whatever timeframe suits your Business Needs.
- **Recruit** you the appropriate HR person or team on a permanent basis.

Or you could **Outsource** your HR needs to us:

- We can takeover your existing people and achieve performance targets.
- Replace them with a specifically selected team or professionals that we recruit and manage for you ensure the delivery of Business results.

We will save you time, money and guarantee you the results.
