

The People Group Workshop Referrals Programme

As a current or former participant of one of the People Group's workshops you have the opportunity to refer us to an associate, family member or friend in your network. We trust that you enjoyed the experience and learnt concepts and tools that have helped you in your role and that you may want to share this opportunity with others that you know.

Our programmes are unique in that they include, 360 degree assessment (pre programme) workshop delivery, one-on-one coaching, project delivery, application presentations and 360 degree assessment (post programme). The programmes are fully integrated into the Business deliverables and ensure an excellent return on investment.

For each qualified introduction that leads to a confirmed contract to a new Client you will receive between \$ 250.00 - \$ 1500.00 depending on the actual Proposal signed and its dollar value, it's that easy.

The People Group facilitates workshops in the following areas:

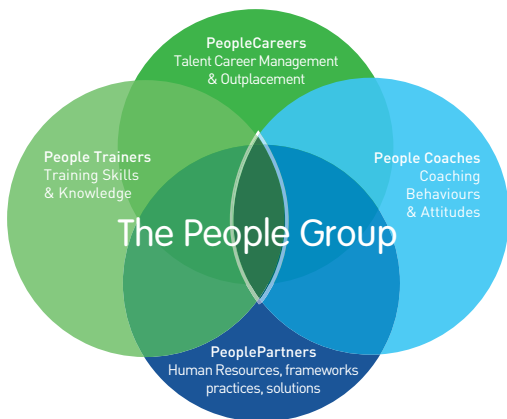

- Leadership Development
- Management Development
- Supervisory Skills
- Mental Toughness
- Stress Mastery
- Sales Skills Development
- Change Management
- Customer service
- We also facilitate strategic planning days and facilitation of workshops around any business outcome that is required. Our team includes Registered Psychologists and experienced Facilitators and Coaches.

All you need to do is to talk to your contact telling them about our workshops and then if they are interested in a discussion to determine their needs, e-mail the person's contact details to lynleew@thepeoplegroup.co.nz and let them know to expect a call for a meeting with us.

It's as simple as that, and others can also benefit from the value that our workshops deliver and you get the rewards.

The People Group is comprised of four core service delivery areas:
